Reminder:

SI 2.4 Boats shall keep clear of all Local Restricted Areas including the Deira Exclusion Zone (refer to exclusion areas as defined in the SI Appendix 2 "COURSE"). A penalty for an infringement of this rule will be at the discretion of the Protest Committee and may include disqualification (amends RRS 64.1(a)). For the avoidance of doubt the definition of the Exclusion Zone is delineated by the Latitude and Longitude positions of cardinal and other marks as per Appendix 1 to the SI's. All exclusion areas shall be considered as obstructions according to RRS.

SI 2.5 Boats shall at all times keep clear of Iranian territorial waters and a minimum of 12 (twelve) nautical miles offshore of any Iranian Territories.

SI 8.2 Attention is drawn to all competitors to SI's 2.5 and SI 10.1.3, remaining clear of Iranian territories or contested waters or territories.

SI 10. AREAS THAT ARE OBSTRUCTIONS

SI 10.1 The following areas are designated as obstructions. Any boat found to have sailed into any of these areas may be scored DSQ after a Protest Committee hearing.

SI 10.1.1 All charted National Exclusion Zones shall be considered an obstruction. Exclusion zones shall include all cardinal and lateral navigation marks identifying the exclusion zone, or in their obvious absence, their charted position, and includes the area inside the rhumb line between these marks. If it is established that a boat has breached this instruction and in doing so is judged to have gained an advantage, the penalty awarded by a protest committee may be up to disqualification (DSQ).

10.1.2 Restricted areas surrounding drilling platforms and any oil rigs.

Exclusion areas: PALM DEIRA / THE WORLD AREA / SALEH oilfield / AZZORAH oilfield and any other areas not listed there, but reported as forbidden.
