## Welcome to the 30th edition of the Aramex Dubai to Muscat Offshore Sailing Race - 4th February 2023

The 30th edition of the Aramex Dubai to Muscat Offshore Sailing Race is now open for entries. The Notice of Race and online registration forms are available on the [Aramex D2M website](#) under 2023 Race. We are all immensely proud that our local event has achieved a modest degree of global recognition and is a respected event in the world of offshore sailing. Now is the time to test your mettle against the most exciting of racing courses. DOSC is arranging a number of seminars and talks over the next few months to support all skippers interested in participating. So if you are a seasoned D2M racer or if

you are thinking about entering for the first time to race or even to cruise the course, then please register your interest on line and get in touch so we can achieve our goal of over 30 boats on the start line on February 4th.
